

***Session 2: Making
Money | Budget
Buddies***

What Is Income?

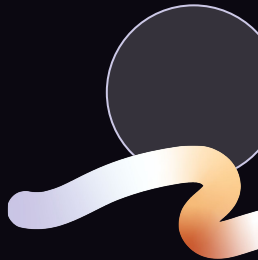

- What do you think income means?
- Money you earn
- Different ways to make money

How Can You Earn Money?

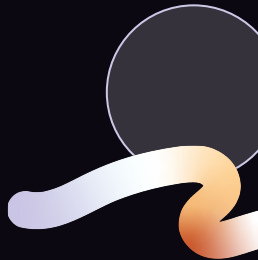

- Can you think of any unusual ways people make money?
- Jobs or businesses
- Online work
- Creating or inventing something

Why Is Learning Important?

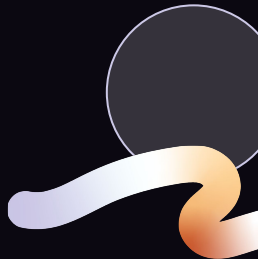

- How can going to school or learning a new skill/hobby help you make more money?
- More knowledge, more opportunities
- Special skills can lead to special jobs

Skills That Help You Succeed

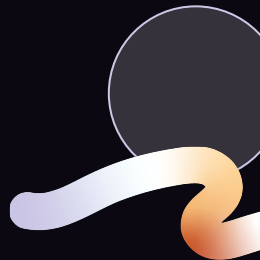

- What's a skill you have or wish you had?
(Or even a skill you have but don't value)
- Job skills (like coding or cooking)
- Life skills (like being organized or good with people)
- Service v Product

Finding the Right Job for You

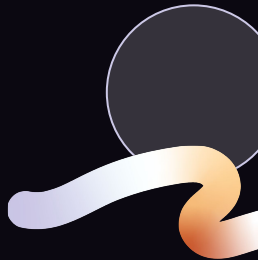

- What job do you dream about doing and what path can you take to make it happen?
- Thinking about what you like and are good at
- Different jobs out there
- Jobs for everyone

How To Choose a Career

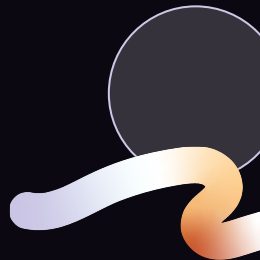

- Why is it important to learn about a job before deciding it's right for you?
- Know what the job is really like
- Understand what you need to learn for it
- Seeing if the job fits with your lifestyle

Tools for Exploring Careers

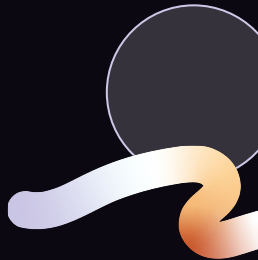

- How can the internet help you find out about different jobs?
- Websites with job info
- Online courses to try new things
- Information about careers and skills
- The internet is the best tool for finding career information

Planning Your Future

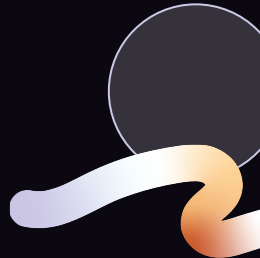

- What's one goal you have for your future job?
- Setting goals for your dream job
- Learning steps to reach your goals
- Devise a plan on how to achieve your dream future

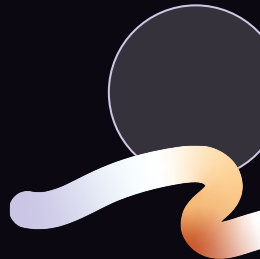

Let's Talk Money

- Why do you think some jobs pay more money than others?
- Different jobs pay differently
- Skills, demand, and education affect pay
- Salaries are constantly changing; don't just pick a job because of its salary.

Discovering What You're Good At

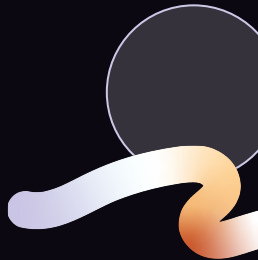

- Have you ever taken a quiz to find out what you're good at or interested in?
- Quizzes can help discover your strengths
- Knowing your strengths can guide your career choice

Dream Big, Start Small

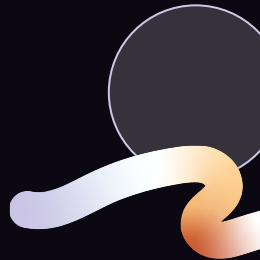

- What small step can you take today towards your future job?
- Every big goal starts with small steps
- Learning, practicing, and exploring

What We Learned Today

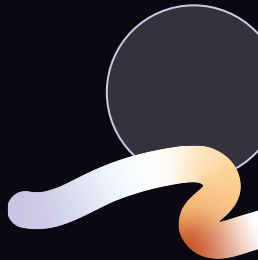

Can anyone share
something new they
learned today?

Questions and Ideas

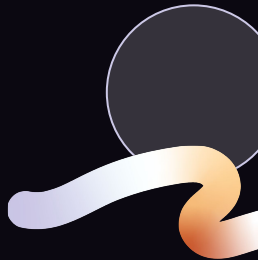

What's one thing you're
curious about after today's
talk?

Questions and Ideas

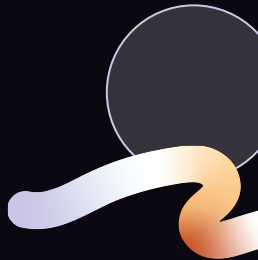

What are you guys
interested in learning about
in the future?

Your Next Steps

- What's one thing you can do this week to explore your future career?
- Making a plan for the next step
- Encouragement to keep exploring and learning

THANKS!
